25 August 2020

Dear Parents/Caregivers

Thank you for your patience as we have continued to work through the school's response to the on-going COVID-19 pandemic crisis. Since March, our focus has been predominately on providing a safe and healthy environment during the crisis and continuing to provide a quality education for all of our students.

We now want to update you in regards to school fees for 2021.

The School Council met recently and has reviewed the effects of the COVID-19 pandemic crisis on the school's operations and the school community as a whole.

We continue to acknowledge the financial pressures that families are currently facing and/or may face into the future. In these uncertain times, we want you and your child/ren to have certainty about their education.

Therefore, **the School Council is pleased to advise that there will be no increases to fees next year, with all fees for 2021 being maintained at the same levels as 2020.** School Fee information for 2021 is enclosed with this letter.

Every child that is enrolled at Calvary Lutheran Primary School is incredibly valued and appreciated. We want to ensure that your decision to provide them with an education at Calvary remains certain. Your family is our family and we want to make sure that we stay that way.

If you have any concerns about your financial position and your ability to pay fees at this time, we ask that you please make contact with Andrew Ferris, our Business Manager, either by phone on 83825144 or via email at finance@calvary.sa.edu.au

We want to support you by looking at each family's individual situation, with the focus on developing a personalised strategy that works for your family. The support may look different for each family, as we know everyone's circumstances may be different. Our goal is not to lose any families due to this crisis.

We look forward to working together through this crisis, and we especially look forward to the time when life returns to a 'new normal', where we will all be together again here at school celebrating the incredible strength and determination of our amazing community.

Yours sincerely

Angela Branford
Principal
