

2022 SCHOOL FEE SCHEDULE

Each year the School Council reviews the school fees for the coming year. The Council acknowledges the commitment and continuing significant financial contribution of parents/care givers, which is essential for the school to deliver excellence in teaching and learning, employ and retain quality staff, update facilities and provide the highest standard of safety and pastoral care for all. Every endeavour is made to keep fee increases to a minimum, however we will not do this at the risk of devaluing the teaching and learning experiences available. From 2022, the Council has also substantially increased the Sibling and School Card discounts. An annual payment discount is also applicable if the account is paid in full by the due date indicated below.
